

Do you have any
Bradford Woods Treasures
in your attic, closet, or shoe box?

You can share photos, maps, or news articles with the
Bradford Woods Women's Club Heritage Committee and
help preserve the unique history of our community.

We are establishing a permanent archive in the
Bradford Woods Borough Office and
we want to include everyone!

We will be happy to make copies of any of your materials,
and would also welcome donations of your collections.

Please contact Mary Ann Moretti at the Bradford Woods
Borough Office (724-935-2990) for more information.
